proposal, including the date the State agency will be in compliance.

(iii) When the deficiency cannot be corrected within 30 days of receipt of a formal warning but the State agency submits an acceptable plan for correcting the deficiency, FNS shall hold the formal warning in abeyance pending completion of the actions contained in the plan within the time specified in the plan.

(iv) FNS shall cancel a formal warning when the State agency submits evidence that shows, to the satisfaction of FNS, that the deficiency has been eliminated.

(e) *Suspension/disallowance of funds.* The Administrator of FNS shall notify State agencies in writing by certified mail or through personal service that administrative funds are being suspended or disallowed. Such action may occur when any of the following situations arise:

§ 276.5 Injunctive relief.

(a) *General.* If FNS determines that a State agency has failed to comply with the Food Stamp Act, the regulations issued pursuant to the Act, or the FNS-approved State Plan of Operations, the Secretary may seek injunctive relief against the State agency to require compliance. The Secretary may request injunctive relief concurrently with negligence billings and sanctions against State agencies affecting administrative funds.

(b) *Requesting injunctive relief.* Prior to seeking injunctive relief to require compliance, FNS shall notify the State agency of the determination of non-compliance and provide the State agency with a specific period of time to correct the deficiency. The Secretary shall have the discretion to determine the time periods State agencies will have to correct deficiencies. If the State agency does not correct the failure within the specified time period and the Department decides to seek injunctive relief, the Secretary shall refer the matter to the Attorney General with a request that injunctive relief be sought to require compliance.

(2) Strikes by State agency staff;

(3) Change in the Food Stamp Program or other Federal or State programs that result in a substantial adverse impact upon a State agency's management of the Program; and

(4) Any other circumstances in which FNS determines good cause to exist.

(b) If FNS determines that food cause existed for a State agency's failure to comply with required provisions and standards, FNS shall not suspend or disallow administrative funds nor seek injunctive relief to compel compliance with the provisions and standards.
